Nancy opened the meeting and welcomed all.

She discussed the 2 new buses that were awarded to the COA/ CMS through the grant process of 2018 capitol assistance grant process. We are getting a 5-passenger mini conversion van; the cost is \$36,363.60. She explained that the match for the FCCOA will be approximately \$5000. Payable within 6 weeks of the bus arriving. That van is scheduled to be delivered by the end of the year.

The second vehicle that was awarded was a 19-passenger medium duty bus. The cost of this bus is \$64,935.00 the match for this bus is approximately \$9000.00. Nancy told Carra that they are asking for integrated child seats in the new bus to accommodate the influx of children being transported to Head Start. Carra said there is no plan to going back to providing transportation to Head start from them.

Nancy then went on to discuss the 5th annual Bingo fund raiser to be held Nov. 18th (Saturday) from 1-4. This fundraiser helps with Match money and this year we will be using the money for match on the new vans.

Nancy asked if there were any Transit related questions or concerns.
